

**A MESSAGE TO OUR MEMBERS FROM OUR
GENERAL MANAGER, CARLOS LIMA**

This year has been marked by significant accomplishments, including the completion of infrastructure relocations for five Texas Department of Transportation Road widening projects, the Water Treatment Plant #1 reservoir relocation and improvement, and the finalization of our strategic blueprint. With membership growth driven by new developments in 2024, we remain committed to enhancing our services in alignment with our mission, vision, and core values. Wishing you Happy Holidays and a Prosperous New Year.

Infrastructure Improvement Projects Update

We're excited to share updates on ongoing and upcoming projects aimed at enhancing our water systems and local roadways to support growth and ensure a reliable, sustainable water supply:

US EPA Lead Service Line Inventory Submission

We are pleased to announce the completion and submission of our Lead Service Line Inventory (LSLI), meeting EPA and TCEQ requirements ahead of the October 16, 2024, deadline. This achievement reflects the hard work of our staff and the valuable cooperation of our community. We will continue to identify new service lines to minimize lead exposure in drinking water.
